

Dobermann:

SY (4) 1st Pilgrim's Swnydwr Snapchat At Woodbriar. Promising black/rust bitch of 11 months. Very mature in body for her age and gives off an impressive outline. Head shows good planes, length, balance and a flat skull. Almond, dark eye and correct ears. Good reach of neck, chest developing well and correct round bone. Her angles are balanced either end and she has an impressive side gait, just needs to tighten a bit coming to. Confident show girl and well handled. BP, pleased to hear she topped the Puppy Group.

2nd Turrell's Newfords Xhibitionist At Tilnasia. Well grown brown/rust boy just over a year old. Liked his outline on the stack. Correct height to length ratio and well put together. Pleasing enough head and typical expression. A bit narrow all through at the moment but has plenty of time to mature and drop into his frame. Moved well from all directions.

PG (2) 1st Edyveane's Jovavik Victor Rizzi At Kateamead. Lovely brown/rust that impresses with his clean-cut, compact outline. Masculine head, good eye shape, well set ears and strong, scissor bite. Good body, depth of chest and strong, round bone. Moderately angled, firm topline and moved out well.

2nd N Xhibitionist At T.

O (2) 1st Pilgrim's Woodbriar Fix Up Look Sharp. Medium sized but masculine black/rust dog that catches the eye as he enters the ring. Good head piece, shapely with good length and balance. Correct eye and bite. Good reach and arch of neck. Deep chest. Good layback of shoulder and return of upper arm, good bone, mature body, and excellent quarters. High tail set. Moved soundly out and back and covered the ground with a good length of stride from side gait. Beautifully handled and presented. BOB and G2.

2nd Caldicott's Aritaur on A Mission To Philmont. Really liked this black/rust bitch and pushed the winner all the way. Mature, substantial but retains a feminine outlook. Excellent parallel head planes, moderate stop, flat skull and good length. Strong bite. Good eye and expression. Excellent conformation. Moved very well but not quite the extension of 1st on the day. Well handled to bring out her best. RBOB.

AV Grad Stakes (44)

1st Penbro Put A Spell On You. Ultra-smart Miniature Schnauzer bitch. Compact outline and beautifully balanced all through. Excellent head piece. Firm topline, short, muscular loin and high set tail. Excellent coat for texture and colour and beautifully put down as one would expect from this exhibitor. Free mover, sound in all directions.

2nd Keydax Layla For Dynastydax. Min Smooth haired Dachshund. So close-up here and held her own in this strong class. Lovely outline, head and expression. Correctly made all through and gave a good account of herself on the move.
