

Handling Critique, Judged by Will Hosking

I would like to thank the committee for asking me to judge. I was delighted by the very high standards of the handling and made the decisions very difficult.

Class A 6-11 years

1st 458 Harriet Duffield- This handler put in a lot of effort, she kept talking to her dog to keep the dogs attention. Moved at correct pace to promote the dogs movement.

2nd Emma Sweet- This handler put in a lot of effort and carried out correct shadowing, but needs to keep an eye on where the judge is at all times.

Class B 12 -16 years

1st Meaylee Lewis- This handler caught my eye from the moment she entered the ring. She was one of the only handlers to notice where I was sitting and not getting in between the judge and the dog. This handler was very smart and polite and complimented her dog. The handler showed her dog superbly with correct shadowing and kept an eye on the judge at all times. I would not hesitate to let this handler handle any of my dogs and this is why she was best overall handler.

2nd Catlin Channon- This handler was very smart and complimented her, she was very polite and very encouraging to her dog. Correct shadowing was shown and she was very aware of where I was in the ring.

3rd Catlin Tree

4th Nicholas Duffield-

VHC- Rhianne Mitchell

Class C- 17 years and over

1st Paige Edens- This handler was excellent and was very aware of where I was at all times. This handler was also very smart, polite and complemented her dog . Correct shadowing was carried out and kept talking to her dog to maintain the dogs concentration. . I would not hesitate to let this handler handle any of my dogs.

2nd Rena Barrow- This handler was very good, she always made sure she had enough room when I asked all of the handlers to take their dogs around. This handler carried out correct table work and carried out correct straight lines.

3rd Savannah Wawman

4th Charlotte Rivett

5th Anita Skinner
