

## AV TOY IMPORTED BREEDS REG

Open 3.

1st Casey's RUSSIANDREAM CODY FLEMING FOR SHAMAL (RTT)

Upper end of the scale for size but sound typical and in great condition. Mature in body and correctly furnished, nice head and ear carriage, correct topline and tail, showed well.

2nd Casey's RUSSIANDREAM EZRA ELLIOT FOR SHAMAL

Lovely size, but much less immature than one and not as cooperative on the move. Pretty head and ears, nice coat and condition but needs some ring raft to really display his virtues.

3rd Lovell Britton's RUSSIANDREAM FRODO STRUDEL

ETT

Open 5,1

Dickers NEERODAN THYME BOMB

This bitch was the overall package in this class, although her coat was a little thread bare in places, her body condition and conformation was the most typical. Very sound coming and going carrying a typical topline and tail carriage. Nice head and expression with great mouth and strength of jaw. Showed well. BOB

2nd Johnson's MORETONIA ROYAL WREN

Close up to one and many of her good attributes. Just a little unsure of herself today, shame, would've pushed harder with a little more confidence.

3rd Snell's SKIN DEEP MINT CONDITION (imp Nor) BP

Jap Chins

1st Thompson's ROSSYN ASAMI Two nice chins, fractionally preferred this bitch for bone and slightly smaller size. Both in good coat and with sound movement and showy temperaments. Again, both have nice heads and lovely astonished expressions, would just like them both a little more diminutive. Sound and showed well. BOB

2nd Thomson's ROSSYN MAGICAL FANTASY FOR CULVERWOOD

CKCS

Puppy 4,1

1st Blackie & Knapps CRIDENSA CONNOR Ruby dog, top size for me but very sound when he concentrated, with typical outline and lovely rich colour coat which was beautifully presented. Masculine head, dark round eye and flattish skull with great pigment. Carries a lovely level topline and tail. BP TPG4

2nd Darlington's FEATHERFALLS COOL COMET Blen bitch, liked her a lot and hope she continues to develop further. Lovely for size and full of breed type, with pretty head and dark round eyes, long well set ears framing her face. Level topline and strode out well with good hind action and slashing tail.

## Open 6,2

1st Coxs FUJAI RAH ERIC MORECAMBE Blen dog, with lovely coat, rich chestnut markings and silky texture which was nicely presented. Masculine head, nice pigmentation and well placed round eye which could be darker but doesn't spoil his expression too much. Long well feathered ears and ideal size for me with good bone. Moved soundly with level topline, both standing and on the move, holding a classic outline with typical wagging tail. BOB G3

2nd Players ANNICKILY PANDORA Black & tan bitch in full coat with very feminine head large, long ears framing her face. Round, dark expressive eyes a really sweet expression. Looks good for her 6+ years and showed well, moving soundly and enthusiastically around the ring.
